■ **Real Search has announced its sponsorship of the 10th international conference of Bahrain Chapter of the Institute of Chartered Accountants of India (BCICAI). General manager Abdulrahman Al Kooheji said, "We are pleased to sponsor BCICAI, which plays a key role in supporting Bahrain's economy. It has made significant efforts in training accountants and developing their skills to meet the economical changes locally and globally. The conference creates opportunities for co-operation between its members in Bahrain and their peers in the GCC. More importantly, this event provides us with a great opportunity as a sponsor to reach out to a wide range of customers to introduce ourselves, our services and the benefits that our clients enjoy."
