

MANAMA: Grant Thornton Bahrain announced its theme for the year 2018-19 during the 10th annual international conference of the Bahrain Chapter of the Institute of Chartered Accountants of India (BCICAI) at the Diplomat Radisson Blu Hotel Residence and Spa.

BCICAI has more than 450 registered members in Bahrain and this was the association's 10th annual event.

In a statement, Grant Thornton Abdulaal managing partner Jassim Abdulaal said, "The world is changing fast and we are already in a technological revolution that is reshaping the way we interact with each other; the way the labour market organises its production and even the way human beings think. Rather than just reacting to a business crisis, we need to be aware of responses."

"Change is happening today, and future is the matter of tomorrow and that's why we are saying: 'Get ready for tomorrow'."

The firm was the title sponsor for the two-day conference and its participation in the event was led by senior partner Jatin Karia.
